Summary: John Tate returns to Haddonfield to be with Molly, and discovers he has an unknown little brother. Watch out, Michael Myers could be right around the corner!

Michael's New Nephew

Michael's New Nephew

It was a cold, dark, stormy day. John Tate was driving to Haddonfield to meet his girlfriend, Molly. Haddonfield brought back so many bad memories for John. It's where his evil uncle, Michael Myers, was born, and where Michael killed so many innocent people. John's mom, aunt, and sister were killed all by Michael. He hated him and would kill him when they met again.

Then John's tire popped and he ran into a tree. "Goddamn it!" he yelled. He got out of the car only to find an abandoned barn. "Well I have nothing else to do, but wait in there, at least it's dry." The barn was brownish red and has holes all over it. John sat down on a barrel of hay. Then he heard a footstep. "Who's there?" John whispered.

"Don't hurt me." A voice said. "Who's there?" John said louder. "Please, don't hurt me." The voice said. John realized that it was a child's voice. "You can come on out. I'm not going to hurt you." John said to the voice. Then a little boy came out of the darkness. "Why are you here?" the little boy asked. "My car just got wrecked. Why are you here and what's your name?" "I live here, and my name isâ€¦ ummâ€¦ Tyson."

"Well, Tyson, what's your last name?" "Oh my last name is Tate." "Your last name is Tate!? It can't be! You're not related to me! Who's your mother?" "If I can remember right her name was actually Laurie Strode." "That makes you my little brother. How old are you?" "I just turned thirteen. Can I go home with you?" "Of course, you're the last of my family, exceptâ€¦â€¦him"
